Formats, Rules and Regulations

Competition Format

The 'National' Golf Challenge is a competition for 4 ball teams. There will be an Opening Round, Regional Finals if the volume of entries make them necessary, and a National Final in September

Each Opening Round venue may offer more than one date for play and must attract a minimum of eight 4-ball teams on each available date to enable its winning team(s) to progress (there can be more than one team). Teams will play in two pairs, each playing with a pair from another team. The best score from each pair on each hole will count towards the team's ultimate Stableford points score. The winning team(s) from each Opening Round will progress

Handicaps

No team will be able to progress past the Opening Round (or the Regional Final if applicable) or win any prize in the National Final if it is unable to show that all members of the team have an official and current handicap certificate. The maximum handicap allowance will be 24 for men and 28 for women. Play will be with a 90% handicap allowance. Women will receive 2 extra courtesy strokes but use the stroke index from the men's card.
